

NEWFIELDS LUNCH PROGRAM

NES offers lunch four days a week for \$1.75 per day. We offer a variety of different meals with fruits, vegetables and other healthy side dishes. A monthly menu will be sent home with the students. Milk or juice must be purchased separately through the school, or students may provide their own beverage. Snacks can be purchased for \$.50. The students also have the option of purchasing the Pizza Lunch on Fridays offered through the NPO; there will be no hot lunch on Fridays.

This year we are offering an easier way for purchasing lunch. You have the option of purchasing a "Punch Card" in advance for \$28.00, which entitles you to 16 lunches. You may still pay \$1.75 each day, if you prefer. Purchasing the Punch Card **does not** mean that you have to receive a lunch every day. If you do not care for the meal choice on a particular day, you may bring a lunch from home and your card will not be punched for the day. To avoid lost cards, they will remain in the lunch room.

We are also looking for parent volunteers to help serve lunch to the children. The lunch program has grown very popular over the past year and the lines grow longer every day. Having parent volunteers will help speed the serving process making the lines shorter and giving the children more time to enjoy their lunch. Please fill in the bottom of the form if you can help out.

Anyone who has questions on the punch cards or lunch program may call Dennis Dobe at the school or Kirn Army at 778-1642.

Yes, I would like to purchase a punch card for \$28.00 per student. (You may include more than one child on the same form.)
