Hi, I just wanted to send a note saying thank you for all the wonderful notes and love your school sent to us here in Afghanistan. I wanted to attach a rare photo of our very busy command team. Your gifts keep our spirits high in times when there are reasons for the spirits to be low. Thank you for that. Another photo is a reminder of why we all do what we do. That is me folding the flag after it flew freely over the skies of Afghanistan and our Headquarters here. Once again, thank you to all the kids and faculty. I have my 5 year old and my 6th grader back in Alaska. My family is from Lincoln
