NES Kindergarten

We would like to thank the many parents who attended our Wednesday, January 25, 2017 Newfields Elementary School Kindergarten Information Night and for completing a short survey giving their input on the possibility of extending our 5 hour kindergarten school day to a 6 ½ hour program. The next NES Kindergarten Research Committee is February 9, 2017 at 11:45. Please continue to e-mail us at ksegal@sau16.org and dkettlewood@sau16.org if you would like to share your opinions on this important decision with the committee. This year our incoming kindergarten screening will take place during SAU16 move up day, date still to be determined.

NES, CMS, EHS Partnerships

We are extremely pleased and excited about our continuing school partnerships with CMS and EHS. For the third year, we have middle school students volunteering Wednesday afternoons to read to their "elementary little buddy." For the second year Mrs. Nicole Vernon's Exeter High School Spanish students will be visiting our kindergarten, reading and discussing the short stories they have written in Spanish!
