NES Teacher Raffle sponsored by NPTO: May 15-19th

The NPTO in conjunction with NES teachers will host the first ever NES Teacher Raffle fundraiser to benefit the NPTO! Participating teachers have come up with some fun activities to do with lucky student winners. Teachers will sell raffle tickets for a small fee in school starting on May 15th, and students will have the opportunity to place their tickets in teachers' ticket baskets during the week of May 15th-19th. The winners will be drawn at the community meeting on Friday May 19th. Baskets will be available to see at the Spring Concert on the 15th at 6:30.

Look for more details in the upcoming NPTO flyer to go home on May 12th.

NES Vision is to empower our students to become compassionate, confident, and critical learners of tomorrow with an inner resiliency to serve others.

NES Field Day at Camp Lincoln June 7, 2017

Meri Clemons, NES P.E. Teacher

Our school wide (K-5) field day at Camp Lincoln is fast approaching. The planning and organizing has begun to ensure a fun and successful day for all. This is an all-day field trip with buses leaving Newfields immediately following attendance, between 8:45-9:00 am and returning in time for dismissal. In addition to games and activities, the day also includes pizza lunch and a chance for all to swim. I'm putting out my request now for chaperones who are able to spend the whole day with us. You will be assigned to a group, with your child, and asked to help the teacher with supervision and any other duties the teacher may ask of you. This day would require you driving to Camp Lincoln, arriving by 9:15 and able to stay until 2:15 pm. The day is active so we do ask that you not bring any other younger siblings. If you are able to chaperone on Wed. June 7, please e-mail Ms. Clemons, mclemons@sau16.org. Thank you!!! Be on the lookout. Camp Lincoln permission slips will be coming home soon.

Thank you to CMS Counselors and Principal Wons for their 5th grade visit to Newfields Thursday, May 4th.

NES Mission

To provide a nurturing community in which all students are valued and empowered to become both independent and collaborative lifelong learners, motivated to contribute to an ever-changing world.
